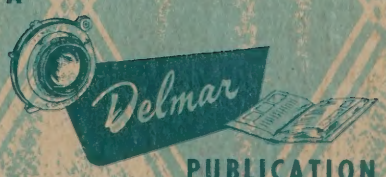
YOUR YEARBOOK

A



PUBLICATION
CHARLOTTE. N.C.

This is **your** yearbook. It is a record of **treasured memories.** It is a priceless keepsake that cannot be replaced. It will last a lifetime if treated with care. Handle it as you would any other new book. **Open** it first down the center and press gently with the palm of your hands. Then begin to open it to other places following the same procedure, until you have opened every page, from cover to cover. This will avoid undue strain on the binding.

Do not store your book close to extreme heat, such as a radiator or heat duct. **Do not** leave it lying in the hot sun; it is fresh off the press and must have time to cure thoroughly before it is handled too much. **Avoid** getting it wet. Paper will soak up water.

Any abuse will damage your book. Careful observance of these instructions will help to make your book a lasting record of happy memories. Good luck!

MEMORIUM

We set aside this page in memory of Mr. Horace Connor, our beloved janitor, who died February 3, 1959. His friendship, loyalty, and unselfish devotion to the faculty and students of Franklinville school will always be remembered.

The Cardinal 1959

PRESENTED BY

THE SENIOR CLASS

OF

FRANKLINVILLE HIGH SCHOOL

DEDICATION

. . . TO OUR PARENTS

Our parents are the people who have shared our heartaches with sympathy and our happiness with joy. They have understood our troubles and problems and have encouraged, taught, influenced, and loved us; and most of all, they have given us their friendship. So it is with pleasure and gratitude that we dedicate this edition of The Cardinal to our parents.

In this, the fifth edition of the Franklinville CARDINAL, we, the senior class of 1959, have attempted to bring back all memorable occurrences--pleasant, not so pleasant--of this our last year of Franklinville High School Life.

As members of the CARDINAL staff we present it to you with high hopes and expectations that it will stand as a solid foundation upon which life's journey may be trod. With this thought, we submit the 1959 CARDINAL.

CLASS POEM

Sitting here thinking of days gone by
A chill spreads over me, and I want to cry.
But, it's a wonderful feeling recalling the past
And to know the memories will always last.
I'll have this to remember for the rest of the while.
Long after I'm fully mature
And no longer a child,
I'll remember our school days
Our school song so true
And know I owe it all Alma Mater to you.
I owe my teacher a whole load of thanks
And hope I can stand up to capture my rank
To be a good example before women and men
To pray for help to keep my life free from sin.
Yes, we the class of '59 will never give up with a sigh,
Because we are the graduates of
"Ole Franklinville High".

CLASS HISTORY

In August, 1955, we the senior class of 1959 entered high school with Mr. S. V. Morgan as our home-room teacher.

We were excited for the first few weeks, but we finally settled down to the fact that we were high school students. We elected Frank Vestal as our class president. During that year we suffered a terrible loss--the burning of our gymnasium which handicapped our ball teams.

A year later we came back as sophomores, with Mrs. Morgan as our home-room teacher. We elected our class officers. This time we elected Hilda Brady as our president.

We entered our junior year with Mrs. Irene B. Frazier as our home-room teacher.

We added many memories that year. We had our Christmas Party in the high school library. When we came back from the Christmas holidays we started making plans for the Junior-Senior Banquet and Graduation. In the spring we ordered our class rings. In April we sponsored the banquet, the theme of which was "April Showers." We presented the Magnolia Arch to the departing seniors and sang the farewell song on graduation night, May 27, 1958.

We started our senior year with a new senior sponsor, Miss Edith Ausley, whom we liked very much.

The annual staff and members of the class devoted much time and hard work to the publication of the annual, The Cardinal. We also received our class rings at the first of the year.

When the last semester rolled around we found our school days much too short for the preparations required for our commencement. The time which had seemed endless twelve years ago, had passed much too quickly. Realizing that now we actually faced the future, we were faced with dread and fear, but on graduation night, as we walked down the aisle, we the class of '59, turned our thoughts to what we would do in the future.
